

a Volusia County Tax Collector program

Dear Community Leader,

Creativity drives innovation—and in Volusia County, it starts in our elementary school art rooms.

The Kids Tag Art (KTA) program is back for its third year! For the 2025–2026 school year, we're proud to partner with 10 public elementary schools across the county. Nearly 1,000 fifth grade art students will each create their own specialty license plate design as part of their curriculum—learning how Florida's more than 100 specialty plates support meaningful causes throughout our state.

Each one-of-a-kind plate will be available for purchase, with proceeds going directly to help fund art supplies and art enrichment activities at participating schools. But the program only succeeds with the support of generous community partners like you.

We invite your business to join us as a Kids Tag Art sponsor. With your help, we can continue to support the next generation of artists, creators, and thinkers—while providing your company with positive visibility and connection to a great cause.

Please review the enclosed information to explore how you can be part of this colorful and impactful initiative. If you have any questions, contact Emily Mastrantonio, KTA Program Specialist, at emastrantonio@volusiatax.gov or 386-507-9355.

Thank you for considering a Kids Tag Art sponsorship. Together, we can make creativity thrive in Volusia County classrooms.

Sincerely,

A handwritten signature in blue ink that reads 'Will Roberts'.

Will Roberts, Volusia County Tax Collector

Volusia County Kids Tag Art
