Will Roberts, Tax Collector of Volusia County, Florida recently attended the Annual Meeting of the National Association of County Collectors, Treasurers and Finance Officers (NACCTFO) in Austin, Texas on July 24 - 26, 2023. The meeting includes continuing education courses in policy and management offered by the Graduate Program in Public Administration and the Office of Executive and Professional Development at Wayne State University.

“As finance professionals, collectors, treasurers, and finance officers must keep up to date on best practices of public management” said Kyu-Nahm Jun, Director of the Public Administration at Wayne State. “Wayne State University’s certification program connects participants with our nationally-recognized faculty. It also gives participants an opportunity to interact with peers from across the U.S. and to share information.”

Session topics included tax foreclosures, managing across generations, policy development, and cash flow management.
